### **The Capital's cookie policy**

What are cookies?

Cookies are small data files which are downloaded onto your device by the website which you are visiting. The next time you visit the same website, cookies ensure that your device is recognised. By using cookies and similar technologies such as pixel tags/beacons and scripts ('cookies'), this website can save information about visits and visitors. We place some of the cookies on the websites ourselves, while other cookies are placed by third parties. Third-party cookies may collect data outside our websites as well.

Cookies can be utilised to make visiting a website more personal, by, for instance:

displaying relevant navigation settings;

remembering visitors' preferences;

improving the overall user experience and

limiting the number of advertisements shown.
